

CASE STUDY:

MATERIALS MANAGEMENT PLANS

DoWCoP In Practice

Client: Various.

Contract: Various.

Value: £2,000– £1,350,000.

Services: MMP Support Services.

GO Projects delivered MMP Drafting, Monitoring and Reporting for a Remediation and Enabling Works company across all their relevant projects. GO Projects offer permitting and exemption advice supporting our clients in minimising off-site disposal and maximising reuse on site and at associated sites and ensuring avoidance of any **Waste Crime**¹ risks

GO Projects offer early involvement services to our Clients, realising **Value-engineering** opportunities and collaboration between various Client projects and other landowners to reduce waste to landfill and maximise commercial benefit within the Definition of Waste Code of Practice **[CL:AIRE DoWCoP]** framework, using our **Environmental Permit** and or available **Exemptions** provisions.

Waste Crime¹ [Waste offences - GOV.UK \(www.gov.uk\)](http://Waste.offences - GOV.UK (www.gov.uk))
